

28 April 2019 → Visiting river cruise liner A-Rosa Aqua

IMA Germany Lilian Helbig, Regional Head of Frankfurt chapter, organised the visit of an A-Rosa river cruiser on its way from Cologne to Basel. On Sunday, 28th April we visited the ship while stopping in Mainz and were heartily welcomed by hotel manager Michael Frahn. After a delicious lunch we were shown around and some of the group thought about how to be able to get hold of the one vacant cabin.

Afterwards Nancy Mehnert, HelmsBriscoe's representative, presented interesting information about today's and modern meeting culture: very interesting - and partially surprising. HelmsBriscoe, by the way, helped making arrangements for IMA's National Training in November.

Overall a wonderful networking event with interesting insights and good suggestions for thinking outside the box. Thank you Lilian for organising!
