

16th August 2019: Regional event IMA Cologne-Duesseldorf - Networking at its best!

Our networking event in Monheim on August 18, 2019 was a huge success.

Marienburg Monheim (<http://www.marienburg-bcc.de>) provided a befitting environment and presented itself and all its amenities as business conference center and event location. Total enthusiasm on our part! We had lots of fun with Teamio (<http://www.teamio.de>), a planner of team and corporate events, and experienced the positive effects of team-building measures first-hand and in living color. With perfect catering from the OFYR-grill and cool beverages there was also lots of networking and we enjoyed the balmy summer evening in top ambience. Many thanks to all who participated.
