The wonderful **Ute Thumm** showed us at the IMA Germany e. V. networking evening in Munich how important the personal "Circle of Power" is and not lose focus in these times. Before that, **Alexander Kirschke and Andreas Würtz** presented us with the **JOYN Munich Rose**, an urban living concept with lots of lifestyle.

So we were able to spend a wonderful evening in a small, fine round. 3g makes it possible!

See you soon, Bettina
